### **#7, Buildup of the King of the North (Magog), Russian power (3)**

As per the last essay, near the end of the tribulation when Israel is confronted with overwhelming forces from Russia (and forsaken by her friends), Israel will turn to God. It will be during a time of absolute chaos with worldwide killer quakes that cause the whole world to tremble as predicted in Ezekiel, Revelation, and by our Lord in Matthew 24:7.

The portion of the Russian invading force left after the earthquakes, will be destroyed by hailstones and burning sulfur.

Ezekiel 38:22 "And with pestilence and with blood I shall enter into judgment with him; and I shall rain on him, and on his troops, and on the many peoples who are with him, a torrential rain, with hailstones, fire, and brimstone.

There is a precedent for this type of divine judgment on Sodom and Gomorrah as well as in some of the battles of Israel.

Genesis 19:24 Then the LORD rained on Sodom and Gomorrah brimstone and fire from the LORD out of heaven, 25 and He overthrew those cities, and all the valley, and all the inhabitants of the cities, and what grew on the ground. 26 But his wife, from behind him, looked back; and she became a pillar of salt. 27 Now

Abraham arose early in the morning and went to the place where he had stood before the LORD; 28 and he looked down toward Sodom and Gomorrah, and toward all the land of the valley, and he saw, and behold, the smoke of the land ascended like the smoke of a furnace.

Joshua 10:11 And it came about as they fled from before Israel, while they were at the descent of Beth-horon, that the LORD threw large stones from heaven on them as far as Azekah, and they died; there were more who died from the hailstones than those whom the sons of Israel killed with the sword.

The combination of earthquakes, the burning sulfur (brimstone), and the one hundred pound hailstones (Rev. 16:21) will annihilate the armies of Gog and their allies. This will undoubtedly be the greatest holocaust fulfilled in a single day in the history of the world. But there is more. We are told that after God destroys Russia, He will destroy many other “nations” (Ezek. 38:5-6) that live in “safety” around the world.

Ezekiel 39:6 "And I shall send fire upon Magog and those who inhabit the nations in safety; and they will know that I am the LORD.

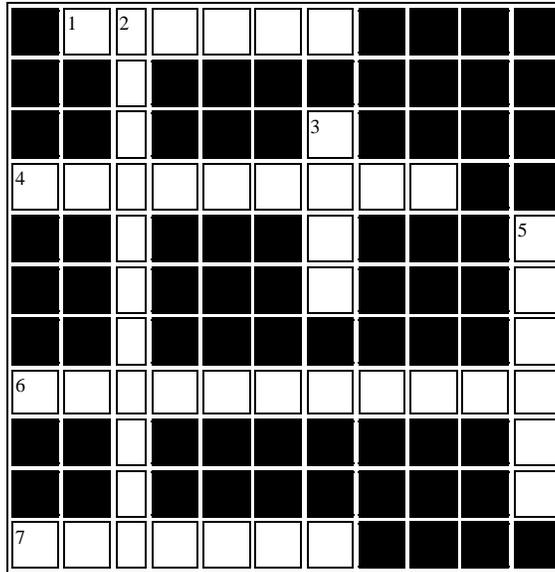

This judgment will most likely be on all of those around the world who are anti-Semitic and communist/socialist spies and sympathizers who live in western democracies. They would refer to all of the humanists who have been pushing for a one-world government in opposition to God and the laws of divine establishment. Many of these individuals occupy key positions throughout America—in the bureaucracy, universities and colleges and the liberal mainstream media—who constantly subvert the minds of our citizens. I am convinced that there are more Marxist professors in American colleges and universities than any other nation in the world. Those people who spend so much of their lives betraying natural law and God during this period will suddenly be consumed with fire. One can only imagine how many vacancies that will occur in one day in the federal and state governments and in the 3,000 universities and colleges of America or about the blessed deafening silence from what once was the liberal media.
