DAILY DOCTRINE
Internationalism

1. Internationalism is the governing of more than one nation under one head.
2. No form of internationalism is acceptable to God.
3. Divine attitude toward internationalism is declared in Genesis 11:1-9.
4. Believers are told to be faithful to their national entities, Romans 13:1-7.
5. Christianity is antithetical to any form of internationalism.
6. Internationalism is an attack upon all divine institutions.
7. The first time internationalism appeared was in Genesis 11 (Tower of Babel) where there was political and religious internationalism combined.
8. Internationalism is a Satanic device which tries to frustrate the plan of God by breaking down, infiltrating, and opposing all of the divine institutions.
9. Whenever Satan starts a religious organization to counter doctrine and/or attack the truth, he always has a demon organization involved. Today this is the United Nations.
10. During the church age religious internationalism will grow, but will never have the control it will have in the Tribulation when it will reach its maximum power and influence.
11. Internationalism destroys freedom of the individual as it takes over national sovereignty and laws of D.E.
12. Internationalism is promoted by communism. It is the 11th stated goal and method to take over the United States:

#11. Promote the UN as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken over as easily by the UN as by Moscow. Sometimes these two centers compete with each other as they are now doing in the Congo.)¹

¹W. Cleon Skousen, *The Naked Communist* (Cutchogue, NY: Buccaneer Books, 1961), 260. For details on the utter evil of the United Nations, see William Jasper, *the United Nations Exposed* (Appleton: The John Birth Society, 2001).

13. Consider the success of some of the ~~other~~ 50 communistic goals against America.²

#3. Develop the illusion that total disarmament by the United States would be a demonstration of moral strength.

#6. Provide American aid to all nations regarding Communist domination.

#16. Use the courts to weaken basic American institutions by claiming their activities violate civil rights.

#17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' association. Put the party line in the textbooks.

#24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.

#26. Present homo-sexuality, degeneracy and promiscuity as "normal, natural, healthy."

#27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."

#30. Discredit the American founding father. Present them as selfish aristocrats who had no concern for the "common man."

#31. Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of the "big picture." Give more emphasis to Russian history since the Communists took over.

#32. Support any socialist movement to give centralized control over any part of the culture—education, social agencies, welfare programs, mental health clinics, etc.

#36. Infiltrate and gain control of more unions.

#38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand and treat.

#40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

#41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudice, mental blocks and retarding of children to suppressive influence of parents.

²W. Cleon Skousen, 259-62.

#42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use “united force” to solve economic, political, or social problems.

#45. Repeal the Connally Reservation so the US cannot prevent the World Court from seizing jurisdiction over domestic problems. Give the World Court jurisdiction over the nations and individuals alike.

The important point here is not if the communists are personally responsible for all of these destructive forces in our country; the critical points are that these are recognized pernicious forces that will destroy any country, and that these evils exist and have grown tremendously in the last two decades. What is sad (and makes me mad as hell [mostly righteous indignation??]), is the truth expressed by Skousen: “It should be kept in mind that many loyal Americans are working for these same objectives because they are not aware that these objectives are designed to destroy us.” Ugh!

Without doctrine and principles of divine establishment our nation will continue to rot under our governmental “solons” (of human good and viewpoint). However, it is not like God did not give us a heads-up about such these trends—both outside and inside the churches as well:

2 Timothy 3:1 But realize this, that in the last days difficult times will come. ² For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, ³ unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good, ⁴ treacherous, reckless, conceited, lovers of pleasure rather than lovers of God; ⁵ holding to a form of godliness, although they have denied its power;

2 Timothy 4:1-5 But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons . . . time will come when they will not endure sound doctrine; but *wanting* to have their ears tickled, they will accumulate for themselves teachers in accordance to their own desires; ⁴ and will turn away their ears from the truth, and will turn aside to myths. ⁵ But you, be sober in all things, endure hardship, do the work of an evangelist, fulfill your ministry.

Even though there is much evil in our days, let’s never forget that God did not give us a life to be lived in fear, but a life of power, love, and a sound mind (!):

2 Timothy 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

In Him,

Paster Don
