**JUSTICE: God's objective justice/law:**

Justice is what is due someone.

From mind of God to structure of order and morality in creation accessed by natural law by the rationality/mind of man

Psalm 97:2 Righteousness and justice are the foundation of His throne.

**JUSTICE**

(ALL JUSTICE IS SOCIAL)

Individual ← Commutative justice → Individual

## Social Contract

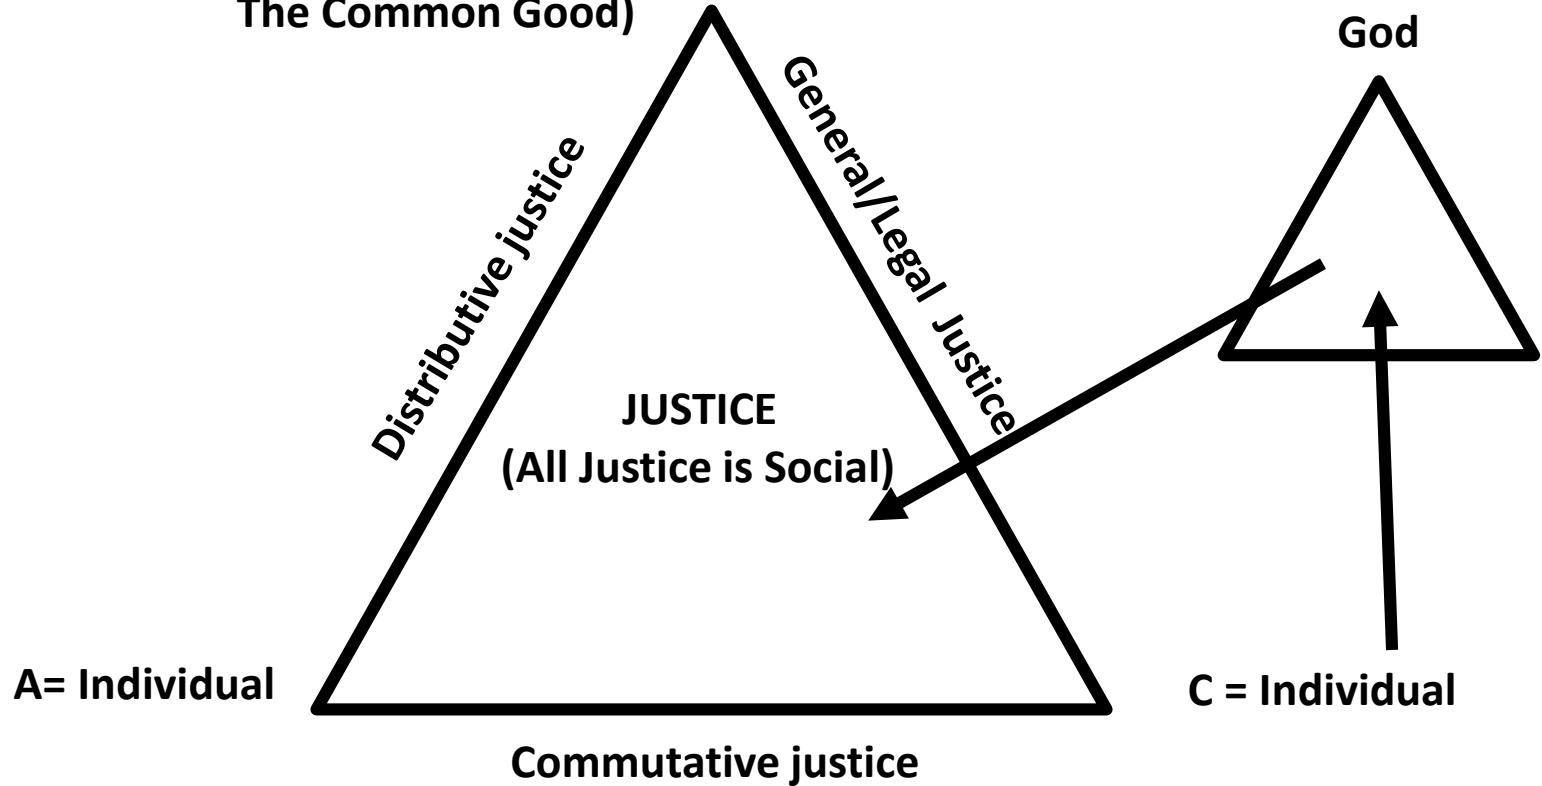

Man is monad.  
Law is based on will of man

0 = Monads. Man is autonomous, atomistic, individualistic.  
Individualism: From will of man (0) to social contracts to create law/government/morality. Man has a two way relationship with government and each other. He chooses what is just based on his will instead of rational connection with the objective structure and web of justice emanating from God upon all of creation.

# Divine Triangle of Objective Justice

God/Esse is the Author of social communities/entities and what constitutes righteous relationships in them

B = Social Community (Family/Church/Society  
The Common Good)
